Ground Level Network Annual Gathering

**we're all
going to
awaken**

information for churches

what is awaken?

Awaken is a brand new, fresh and exciting event for the Ground Level Network of Churches, our friends and partners.

and why?

For thousands of years Gods people have chosen to gather at special times and in special seasons. They have come together to worship, to be refreshed and renewed and to hear what the Spirit is saying to the churches.

We stand in this new day asking God to move in power again, to awaken us for his purpose, to revive us, to restore us, and to commission us.

Awaken is the Ground Level Network, our friends and partners all gathered together as one. Gathered for purpose, gathered to hear what the Spirit is saying and expectant for a move of God.

We are asking all Ground Level Network Churches to join with us for **3 Sundays** in 2022 where we promote Awaken and invite our congregation to book in for what will be **a pivotal event.** We're calling these **'sign up sundays'**

We recommend you host your sign up sundays on the following dates, but feel free to choose your own around your calendars and other commitments.

23rd January
20th February
20th March

4 steps to a great sign up sunday

1.

The week before each Sign Up Sunday let your congregation know that Sign up Sunday is coming – you can use the teaser video and the tagline ‘We’re all going to Awaken’

2.

On each Sign Up Sunday use the teaser, invitation video and/or announce from the platform about Awaken, don't forget to have the flyers on seats! (we'll also have a new promo with you for the February date!)

3.

Have an Awaken champion available with the banner in a space where they can facilitate bookings and answer questions.

4.

On one of the Sundays use the Awaken message from Paul Bengner as your message for that day.
